Notes

Work that is submitted late may be rejected or subject to loss of marks at the discretion of the professor. However, after 5 days (including weekends and holidays), no work will be accepted for grading. All materials submitted for grading must be professionally presented and WILL be marked for spelling and grammar as well as content.

There is a direct correlation between attendance in class and a good academic grade. It is highly recommended that students read text materials before classes. Any work missed as a result of failure to attend class is the responsibility of the student.

Term Work

The term work will be based on the in-classroom (GLYLGXDO SURIH) quizzes, class participation, in-class work, and homework assignments.

Term Project

The project has two components:

- a. Marketing Paper (20%)
- b. Marketing Presentations (10%)

Please see assignment handout and professor for detailed instructions. You will be required to submit an electronic copy of the marketing papers to facilitate screening for plagiarism.

Exam Marks

The final exam is worth 20% of the total grade.
