

Business Administration

Course Number:	BUAD 309
Course Title:	SOCIAL ENTREPRENEURSHIP
Credits:	3
Calendar Description:	Organizations that focus their product or service on sustaining and developing their communities are increasing in number. These organizations can take the form of non-profits, co-operatives and social enterprise businesses. This course takes a very hands-on approach to understanding and learning about the challenges that these organizations face. Through a service learning approach, class seminars and guest speakers, students will explore topics such as challenges in the non-profit sector, volunteer management, social entrepreneurship, corporate social responsibility, corporate philanthropy, and ethics. Students will be required to complete an applied community (service learning) project as a major component of the course.
